### Name of the organization:

---

1. A POS (Port of Safety) can only be located in the European Union. Rescued persons will not be returned to the country from which the rescued boat left. There will be no disembarkation to North Africa or Turkey, nor any communication with the relevant authorities.
2. No interviews are made onboard as part of/as preparation of an asylum procedure. Therefore, the involvement of other NGOs or intergovernmental organizations for this purpose is excluded.
3. The organization must provide appropriate evidence of the adequate use of the funds unsolicited at the end of the eligibility period.
4. In the event of a violation of the conditions under 1., 2. or 3., the Foundation can reclaim the subsidy amount.
